1. What is this product about?

- Hong Leong SMART Income 3Plus Insurance is an investment-linked basic plan that is packaged with either:-
 - Hong Leong Invest 3Plus ProRider to boost the growth of your Account Value; or
 - Hong Leong Cash 3Plus ProRider to have cash in hand for your immediate use.
- You have selected Hong Leong SMART Income 3Plus Insurance packaged with Hong Leong Cash 3Plus ProRider for this quotation.
- The premium payment term for this plan is three (3) years and policy term is twenty(20) years.
- Insurance protection provided is death only.
- For the first two (2) policy years, the death benefit payable for death due to non-accidental causes shall be the higher of the total premium paid for basic policy less any applicable tax on premium, any withdrawal and any benefit paid, or the Account Value at next valuation date, plus the total premium paid for Hong Leong Cash 3Plus ProRider less any applicable tax on premium and any benefit paid. The death benefit payable for death due to non-accidental causes from 3rd policy year onwards and the death benefit payable for death due to accidental causes for all policy years shall be the higher of the Basic Sum Assured or Account Value at next valuation date plus death benefit of Hong Leong Cash 3Plus ProRider. This shall apply to the relevant death benefit throughout this Product Disclosure Sheet.
- Your total premium payable (excluding One Time Top Up and Regular Top Up) will be split into 20% for basic plan and 80% for Hong Leong Cash 3Plus ProRider. To maximise your investment value, your total Basic Plan premium would be apportioned into 20% of Basic Regular Premium and 80% of Regular Top Up Premium (bundled with basic). Your investment value can further be maximised by increasing your Regular Top Up Premium.
- The policy values of this policy vary directly with the performance of the unit funds.
- Upon survival of Life Assured at the end of the policy term, a maturity benefit equivalent to the Account Value and twenty-five (25) times of Guaranteed Cash Payment shall be payable

Please Note: Your insurance charges (deducted from the account value) will increase as you get older. In the later years, it is possible that the accumulated account value will not be sufficient to pay for your insurance charges and policy fee due to poor investment returns or withdrawals, which will result in your policy being lapsed. You may need to top up your premium or reduce your withdrawal (if applicable), if you want to continue with your insurance policy.
