Important Note: This product is underwritten by Hong Leong Assurance Berhad, an insurer licensed under the Financial Services Act 2013 and regulated by Bank Negara Malaysia.

1. What is this product about?

- Hong Leong SMART Wealth Insurance is an investment-linked plan with premium payment term of three (3) years and policy coverage up to age 100.
- This plan offers various Annual Premium packages for selection, ranging from Standard (RM 30,000) to Ultimate (RM 1,000,000). Kindly refer to the product brochure for more details.
- Insurance protection provided is for death only.
- For the first two (2) policy years, the death benefit payable for death due to non-accidental causes shall be the higher of the total premium paid for this basic policy less any applicable tax on premium, any withdrawal and any benefit paid, or the Account Value at next valuation date. The death benefit payable for death due to non-accidental causes from 3rd policy year onwards and the death benefit payable for death due to accidental causes for all policy years shall be the higher of the Basic Sum Assured or Account Value at next valuation date. This shall apply to the relevant death benefit throughout this Product Disclosure Sheet.
- Allocation for Basic Regular Premium and Regular Top Up Premium (executed at policy inception) are both 100%. Your total Basic Plan Premium would be apportioned into 5.5% of Basic Regular Premium and 94.5% of Regular Top Up Premium (executed at policy inception). Allocation for Regular Top Up Premium / One Time Top Up Premium executed after policy inception is only 95%, whereas 5% unallocated charge will be applied to meet the commissions and company's expenses for these top up premiums.
- The policy values of this policy vary directly with the performance of the unit funds.

Please Note: Your insurance charges (deducted from the account value) will increase as you get older. In the later years, it is possible that the accumulated account value will not be sufficient to pay for your insurance charges and supplementary fee due to poor investment returns or withdrawals, which will result in your policy being lapsed. You may need to top up your premium or reduce your withdrawal (if applicable), if you want to continue with your insurance policy.

2. What are the covers / benefits provided?

The Basic Sum Assured for this plan is RM <<Sum Assured>> and the duration of the coverage is <<100 - Entry Age>> years or upon termination, whichever occurs first.

The Basic Sum Assured will be reduced by the partial withdrawal amount.

Maturity Benefit

Upon survival of Life Assured at the end of the policy term, a maturity benefit equivalent to higher of Basic Sum Assured or Account Value shall be payable.

- Importance of disclosure – you must disclose all material facts such as nationality, and state your age correctly.
- Free-look period - you may cancel your policy by returning the policy within 15 days from the date of delivery of the policy. HLA will refund to you the unallocated premiums (if any), the value of units that have been allocated (if any) at unit price at the next valuation date, any insurance charge, supplementary fee, and any applicable tax that have been deducted less any medical fee incurred.
- Any non payment of premium within the Grace Period of thirty (30) days from premium Due Date shall cause auto surrender of policy, the cash value with respect of the surrender of the policy net of surrender fee shall be payable and the policy will be terminated.
- You would only be able to enjoy the guaranteed benefits mentioned in the Product Illustration and Product Disclosure Sheet, for example Guaranteed Death Benefit, if policy is in force.
- Cash value - the cash value of the investment-linked policy depends on the performance of the investment-linked funds selected. The higher the level of insurance coverage selected, the more units will be absorbed to pay for the insurance charges and the fewer units will remain to accumulate cash values under your policy.
- Policy lapse – the policy will lapse when the value of investment units is insufficient to pay for the insurance and other fee/charges. You are given a 30 days' grace period for payment of premium.
- Your insurance charges (deducted from the account value) will increase as you get older. In the later years, it is possible that the accumulated account value will not be sufficient to pay for your insurance charges and supplementary fee due to poor investment returns or withdrawals, which will result in your policy being lapsed. You may need to top up your premium or reduce your withdrawal (if applicable), if you want to continue with your insurance policy.
- You should satisfy yourself that this policy will best serve your needs and that the premium payable under this plan is an amount you can afford.
- There are provisions for nomination and assignment. Please be advised to nominate a nominee and ensure that the nominee is aware of the policy that you have purchased.
- All applications are subject to underwriting approval.

Note: This list is non-exhaustive. Please refer to the policy contract for the terms and conditions under this policy.

6. What are the major exclusions under this policy?

Death Benefit

If the Life Assured whether sane or insane, commits suicide within twelve (12) months from the Issue Date, Alteration Effective Date or the Reinstatement Date, whichever is the latest, this policy shall become void. The death benefit shall not be payable and the Company shall only refund the unallocated premiums (if any), the value of units that have been allocated (if any) at unit price at the next valuation date, any insurance charge, supplementary fee, and any applicable tax that have been deducted less any medical fee incurred and benefit paid.

Note: This list is non-exhaustive. Please refer to the policy contract for the full list of exclusions under this policy.

7. Can I cancel my policy?

Buying a regular premium Investment-Linked Plan is a long-term financial commitment. It is not advisable to hold this policy for a short period of time in view of the high initial costs. If the policy is terminated early, you may get less than the amount of premiums paid. If you find that the fund that you have chosen is no longer appropriate, you have the flexibility to switch to other fund(s) without any fee.

8. What do I need to do if there are changes to my contact details?

It is important that you inform us of any change in your contact details (including that of the nominee and/or trustee) to ensure that all correspondences reach you and/or nominee/trustee in a timely manner.

9. Where can I get further information?
